

September 11, 2002

Mr. G. Chadwick Weaver
First Assistant City Attorney
City of Midland
P.O. Box 1152
Midland, Texas 79702-1152

OR2002-5066

Dear Mr. Weaver:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID#168450.

The City of Midland (the "city") received a request for records pertaining to the arrest of a named individual on a specified date. You claim that the requested information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

We first note that the requestor states that he is "not interested in [the named individual's] social security or driver's licence numbers" and that the city may "feel free to redact these without objection." Accordingly, we do not address the city's arguments with respect to these types of information, as we do not consider them to be responsive to the request for information.

You argue that some of the submitted information includes criminal history record information ("CHRI"). CHRI obtained from the National Crime Information Center ("NCIC") or the Texas Crime Information Center ("TCIC") is confidential under federal law and subchapter F of chapter 411 of the Government Code. Federal regulations prohibit the release of CHRI maintained in state and local CHRI systems to the general public. *See* 28 C.F.R. §20.21(c)(1) ("Use of criminal history record information disseminated to noncriminal justice agencies shall be limited to the purpose for which it was given.") and (2) ("No agency or individual shall confirm the existence or nonexistence of criminal history record information to any person or agency that would not be eligible to receive the information itself."). Section 411.083 of the Government Code provides that any CHRI maintained by the Texas Department of Public Safety (the "DPS") is confidential. *See* Gov't Code §411.083(a); *see also id.* §§ 411.106(b), .082(2) (defining criminal history record information). Similarly, CHRI obtained from the DPS pursuant to statute also is confidential and may be disclosed only in very limited instances. *See id.* §411.084; *see also id.* §411.087

(restrictions on disclosure of CHRI obtained from DPS also apply to CHRI obtained from other criminal justice agencies). Furthermore, when a law enforcement agency compiles information that depicts an individual as a criminal suspect, arrestee, or defendant, the compilation of information takes on a character that implicates the individual's right to privacy in a manner that the same information in an uncompiled state does not. *See United States Dep't of Justice v. Reporters Comm. for Freedom of the Press*, 489 U.S. 749 (1989); Open Records Decision No. 616 at 2-3 (1993). Thus, any criminal history information that was obtained from the NCIC or TCIC networks, or that is protected by privacy under *Reporters Committee*, must be withheld from disclosure under section 552.101 of the Government Code. We have marked this information accordingly.

We note that the submitted materials include fingerprint information subject to sections 559.001, 559.002, and 559.003 of the Government Code, which provide as follows:

Sec. 559.001. DEFINITIONS. In this chapter:

- (1) "Biometric identifier" means a retina or iris scan, fingerprint, voiceprint, or record of hand or face geometry.
- (2) "Governmental body" has the meaning assigned by Section 552.003 [of the Government Code], except that the term includes each entity within or created by the judicial branch of state government.

Sec. 559.002. DISCLOSURE OF BIOMETRIC IDENTIFIER. A governmental body that possesses a biometric identifier of an individual:

- (1) may not sell, lease, or otherwise disclose the biometric identifier to another person unless:
 - (A) the individual consents to the disclosure;
 - (B) the disclosure is required or permitted by a federal statute or by a state statute other than Chapter 552 [of the Government Code]; or
 - (C) the disclosure is made by or to a law enforcement agency for a law enforcement purpose; and
- (2) shall store, transmit, and protect from disclosure the biometric identifier using reasonable care and in a manner that is the same as or more protective than the manner in which the governmental body stores, transmits, and protects its other confidential information.

Sec. 559.003. APPLICATION OF CHAPTER 552. A biometric identifier in the possession of a governmental body is exempt from disclosure under Chapter 552.

It does not appear to this office that section 559.002 permits the disclosure of the submitted fingerprint information. Therefore, the city must withhold the fingerprints in the submitted documents, which we have marked, under section 552.101 in conjunction with section 559.003 of the Government Code.

In summary, the city must withhold the CHRI we have marked under section 552.101. Biometric identifiers must be withheld under section 559.002, in conjunction with section 552.101. The city must release the remaining responsive information to the requestor.

This letter ruling is limited to the particular records at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other records or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For example, governmental bodies are prohibited from asking the attorney general to reconsider this ruling. Gov't Code § 552.301(f). If the governmental body wants to challenge this ruling, the governmental body must appeal by filing suit in Travis County within 30 calendar days. *Id.* § 552.324(b). In order to get the full benefit of such an appeal, the governmental body must file suit within 10 calendar days. *Id.* § 552.353(b)(3), (c). If the governmental body does not appeal this ruling and the governmental body does not comply with it, then both the requestor and the attorney general have the right to file suit against the governmental body to enforce this ruling. *Id.* § 552.321(a).

If this ruling requires the governmental body to release all or part of the requested information, the governmental body is responsible for taking the next step. Based on the statute, the attorney general expects that, within 10 calendar days of this ruling, the governmental body will do one of the following three things: 1) release the public records; 2) notify the requestor of the exact day, time, and place that copies of the records will be provided or that the records can be inspected; or 3) notify the requestor of the governmental body's intent to challenge this letter ruling in court. If the governmental body fails to do one of these three things within 10 calendar days of this ruling, then the requestor should report that failure to the attorney general's Open Government Hotline, toll free, at 877/673-6839. The requestor may also file a complaint with the district or county attorney. *Id.* § 552.3215(e).

If this ruling requires or permits the governmental body to withhold all or some of the requested information, the requestor can appeal that decision by suing the governmental body. *Id.* § 552.321(a); *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408, 411 (Tex. App.--Austin 1992, no writ).

Please remember that under the Act the release of information triggers certain procedures for costs and charges to the requestor. If records are released in compliance with this ruling, be sure that all charges for the information are at or below the legal amounts. Questions or complaints about over-charging must be directed to Hadassah Schloss at the Texas Building and Procurement Commission at 512/475-2497.

If the governmental body, the requestor, or any other person has questions or comments about this ruling, they may contact our office. We note that a third party may challenge this ruling by filing suit seeking to withhold information from a requestor. Gov't Code § 552.325. Although there is no statutory deadline for contacting us, the attorney general prefers to receive any comments within 10 calendar days of the date of this ruling.

Sincerely,

V.G. Schimmel
Assistant Attorney General
Open Records Division
